Write Me

Write me - I am yours

I am your letters and the sounds of you

I am your footsteps, your imprints, the trail of your fingers on the page

I am your cooings and your cryings, your hurdling and stumblings

I am your scrawls and scratches

I am the energy of a thought and the impulse of an idea - that bends the arm that moves the hand that guides the pen/pencil/stylus/chalk/brush/keyboard to leave your mark upon the page.

I am the back story, the plot and subplot, the lyrics, libretto and the chorus

I am a card from camp, a love note passed, a paper assigned, a thesis defended, a volume in the Library of Congress

Draw me out - draw me in - draw your own conclusions

I am the potential and the possible

I am the scrim, the screen and the projection

I am the describer, the imagination maker, the synapse sparkler

I am about to be inked, branded and trademarked

I am the heart of heart and the soul of soul

Write me - I am yours

abcdefghijklmnopqrstuvwxyz

I am poetic words rhymed and rhythmic

I am hateful words hurled from high and holy places

I am words that smile and that weep, that call to arms and call another into your arms

I am “bet” for blessing and home, “tsadee” for righteousness and generosity, “shin” for peace, wholeness and a sense of well being

I am a time preserved, a life remembered, a manifesto tacked to a majestic door

I am a bill of lading, a bill of sale and a bill of rights

I am a cautionary tale, a caption and a commentary

I am a revered text, a testament and a terabyte of information

I am a tabula rasa, a screen play spec and the book of life

Write me - I am yours

Write me - I am yours

I am your expressions, translations and thoughtful travels

I am your gasps, your aha's and your winces

I am your condolences and your well wishings

I am your praisings and your dunnings

I am your acceptances and your regrets

I am your gratitudes and your ingrattitudes

I am your ethical wills, your sagely advice, your parental concerns

I am your letters of credit

I am your agreements

I am your boundaries and indictments

I am your definitions and your diplomas

I am your discoveries and your musings

I am your memories

I am your voice, eyes and ears

I am your search light and your beacon pointed home

And, I am combinable, combustable and covenantal

Write me - I am you
